SUMMARY:

Carlsbad police and fire personnel responded to a traffic collision that occurred in the intersection of El Camino Real and College Blvd. Upon arrival officers found a four-car collision with one person trapped inside an overturned vehicle.

A preliminary investigation revealed that a vehicle traveling northbound on El Camino Real ran a red light and collided with another vehicle that was in the intersection, causing both vehicles to go out of control and strike two other vehicles that were at the scene. The collision stopped traffic flow for southbound El Camino Real and slowed traffic in all directions for approximately 2 hours. The driver of the northbound vehicle was taken from the scene by helicopter to the hospital with unspecified injuries.
